

Raising Achievement.....Raising Aspirations

Our vision is to be an ambitious and inspirational place of learning, where every student is valued. We are proud of our high standards, and constantly strive to improve our school, so that every student achieves the success they deserve and leaves us as a well-qualified individual, ready for employment, training or the next stage of their education.

Did you know?

- * **GCSE English, Maths and Science results are consistently excellent and show superb progress for all students**
- * **The musical 'Sweeney Todd' was performed to a full house in the state-of-the-art auditorium**
- * **Enriched opportunities are available for Bulmershe Art students working with the British Council on the National Art expedition**
- * **The Bulmershe Ensemble is one of the top choirs in the country competing in both national and regional finals**
- * **A very successful bronze and silver Duke of Edinburgh and Rookie Lifeguard award programme to enrich students' education**
- * **We have a dedicated, specialist team who support our young people with their academic success and personal well being**
