

The
Bulmershe
School

INSPIRING POTENTIAL
ACHIEVING TOGETHER

'The Head teacher, together with governors and senior team, provide strong relationships'.

'This is a great school where pupils' individuality is acknowledged and respected, then nurtured and nourished to give them the opportunity to be the best they can be'.

'Teaching is very effective with pupils' making strong progress in English, Maths and Science.'

'Pupils behave in a mature and thoughtful manner—they show respect to each other demonstrating a calm and purposeful atmosphere'.

Ofsted, November 2017

We are a thriving local school who were validated by Ofsted as **Good** in every category, and we have now set out sights on achieving '**outstanding**' status.

What are your aims as a school?

The Bulmershe School is a vibrant, diverse and inclusive community where we want students to be happy, self-confident and ambitious thinkers. When students move onto this next exciting stage we want them to be well prepared for life in the 21st Century.

We strive for our vision through students being challenged by remarkable teachers that inspire learners with the love of their subjects and whom encourage curiosity.

Our challenging curriculum is strengthened by a broad range of enrichment opportunities which allows each learner to develop their own personal interests and academic potential. We pride ourselves on our caring reputation and are committed to continually developing our academic culture and ethos of respect, responsibility, resilience and safety for all of our community.

Your school motto is “Inspiring potential, achieving together”, what does that actually mean?

Our belief is that every child has the potential to be successful, even if, at times, they find it hard to recognise that themselves; the power of working together is fostered so that when they enter our working community they have the skills, confidence and ability to help themselves.

I would like my child to go to the very best university, can they do that from The Bulmershe School?

Yes, every year students from The Bulmershe School gain entrance to Oxford and Cambridge; after Sixth Form, 80% of our students go on to university, with 20% attending Russell Group universities.

What about opportunities outside the classroom?

We are very proud of our long tradition of diverse and enriched extra-curricular activities. We run an extensive programme of lunchtime and after-school clubs which help every child to develop skills and interests outside of the classroom. Traditional sports, leadership activities and personal development opportunities such as the Duke of Edinburgh award, Rookie Lifeguard qualification and performing arts experiences all help to develop students. Our staff always go that “extra mile” with organising trips to enrich students education beyond the classroom.

And finally, how often will we hear from you about how our child is doing?

Every half-term you will receive the most current information about how your child is doing in each subject, together with their attitude to learning in those subjects and the aspirational targets they should be aiming for. Clear ‘next step’ advice from each teacher will help them to make progress in the coming half-term. This level of feedback to you as parents is unrivalled in other local schools.

If, as prospective parents you have any questions, please contact us.

Every day is an ‘Open Day’ at The Bulmershe School and visitors are more than welcome.
